

PUBLIC TRANSPORT

To facilitate more sustainable travel to and from school, during leisure time and for educational outings and to encourage the responsible use of public transport, Agenzia Mobilità provides students, families and schools with a collection of useful information and links to help them plan their journeys.

LINES E TIMETABLES

Local Public Transport services in the Reggio Emilia area:

- [Mappa linee bus urbane](#)
- [Mappa linee bus extraurbane](#)
- [Orari delle linee bus](#)
- [Percorsi linee bus](#)
- [Orari delle linee ferroviarie locali](#)

There are 9 **park-and-ride facilities** in the city, connected by free shuttle services for those who decide to park their cars at the outskirts of the city center.

PLEASE NOTE:

Timetables, routes and fares are subject to change and updates. Always refer to the official channels of the service operator.

The SETA app also allows users to receive real-time service-change notifications, top up their travel pass and always be updated about available services at hand.

USEFUL TOOLS

Trova il tuo percorso: through Google Maps, you can calculate your preferred route by selecting the bus travel option.

👉 [SETA WEB – Trova il tuo percorso](#)

Dov'è il mio bus/Orari in tempo reale: by entering the line code, you can locate the bus on the map and check its estimated arrival time at the selected stop.

SCHOOL TRIPS

To facilitate the organisation of transport services, pre-arranged groups (school groups, etc.) may contact SETA directly in order to inform them about the group's desire to board their vehicles. Based on the needs and availabilities of the company, the operator may arrange additional reinforcement services.

Such requests must be made by calling the SETA number 840.000.216, at least 48 hours before the scheduled transport date.

It is also advisable to report the presence of any persons with disabilities who use a wheelchair.

TRAVEL SAFELY

"Viaggio Sveglio, Viaggio Meglio!" is a communication campaign carried out by Agenzia Mobilità in cooperation with SETA, with the patronage of the Province of Reggio Emilia, aimed at promoting the responsible and safe use of public transport. 👉 [Watch the video.](#)

TRAVEL TICKETS

With a single travel ticket (single-journey ticket/pass), passengers may travel from the zone of origin to the zone of destination and use all Local Public Transport services operating within the relevant zones, including urban, suburban and the three local railway lines.

SALTA SU! - STUDENT TRAVEL PASS

The “Salta Su!” travel pass campaign, promoted by the Emilia-Romagna Region, is currently active and entitles students to a travel pass for Local Public Transport services.

The “Salta Su!” card is valid **from 1 September 2026 to 31 August 2027** for travel on buses and local trains and must be validated each time the passenger boards the bus.

The “Salta Su!” pass can be used for travel to and from school, for educational outings and during leisure travel ([Salta Su! nel tempo libero](#)). Students may also use it **outside school hours** for their personal activities, provided that the trip is always made on the route covered by the pass.
